2005 Spirithouse Pinot Noir
The farmhouse, which serves as our tasting room has been haunted for more than 100 years. More muse than Spirit, the intriguing and intangible qualities of Spirithouse wines are enhanced by the continued presence of the pioneer woman who once lived here. The fruit is derived from a select block of high elevation, densely planted vines at Knudsen Vineyards (Dundee Hills AVA) and produces our most powerful yet elegant Pinot Noir wine.

"Polished and generous. A wine of appealing transparency that lets the creamy, floral cherry, plum and raspberry flavors hover gracefully over superfine tannins. It all lingers beautifully, suggesting a good future. Drink now through 2015."

- Harvey Steiman
