"Smooth and spicy, with a floral edge to the plum and cinnamon flavors, nicely integrated and lingering nicely against refined tannins. Drink now through 2014."

"The 2006 Pinot Noir Nuthouse reflects the opulence so easily achievable in the problem-free 2006 vintage. Dark ruby-colored, this is a large-scaled, full-bodied Pinot with gobs of flavor and a voluptuous, sexy personality. Enjoy it over the next 6-8 years." - Jay Miller

"Toasty, peppery and distinctive for its range of spicy flavors, letting it all ride on a fine bead as the finish persists. Drink now." - Harvey Steiman
