“The most successful 2006 Pinot in Argyle’s lineup, this wine bursts with cherries, dusty caramel and seductive aromas of rose petals, scattered across the palate. It’s full-flavored yet retains its Pinot character, with poise and tension into the sweet, fruity finish”. -P.G.

"Lithe and open-textured, with a welcome transparency to the blackberry, currant and plum fruit and the shadings of star anise and black pepper. The finish sails on with minimal impediment from tannins.

Drink now through 2014." - Harvey Steiman
