

2006 SPIRITHOUSE CHARDONNAY

93 points

Wine Advocate

October 2009 (#185)

“The 2006 Chardonnay Spirithouse is sold only at the winery tasting room, but it is worth a detour if you are in the neighborhood. It offers up a superb bouquet of wood smoke, mineral, baking spice, butterscotch, and other tropical nuances. Elegant on the palate with superb depth and concentration, this richly fruited effort owes more to Burgundy than Sonoma. It will provide pleasure for another 6 years.” - Jay Miller
