

KNUDSEN VINEYARDS

Dundee Hills AVA

140 Acres

Originally planted in 1972

Located in the heart of the Dundee Hills, Knudsen Vineyards has been Argyle's foundational fruit source since 1987. Pioneering owner Cal Knudsen began planting in the early 70's, giving the Dundee Hills considerable mass.

A leader in quality innovation, Cal was at the forefront of significant vineyard improvements in irrigation, higher vine densities, clonal selections and conversion from own-rooted to root-stocked vines.

Knudsen Vineyards is the home of America's first commercial planting of Dijon Clone Chardonnay.

This is Argyle's home for Spirithouse Pinot Noir and our single-vineyard designated Argyle Knudsen Vineyard Blanc de Blancs.
