

SPIRIT HILL VINEYARD

Eola-Amity Hills AVA
180 Acres
Originally planted in 2008

Our high-elevation Spirit Hill Vineyard supports Argyle's continuing goal to farm 100% of our own wine grapes with the specific intent of continuing our dedication to making world-class Sparkling Wine in the Willamette Valley.

Located south and up slope from the Lone Star Vineyard, a great future of distinctive wines awaits Argyle from this impressive site.

Spirit Hill Vineyard draws on Argyle's experience in higher elevation fine wine grape growing.

A pioneer cemetery came with the purchase adding to its potential other world quality.
