

ARGYLE

Blanc de Blancs | 2012

Knudsen Vineyard

Dundee Hills AVA

TASTING NOTES

Planted in 1990, at nearly 850 feet of elevation, Julia Lee's Block provides elegant white summer fruits, citrus blossom, and roast cashew nut refined by layers of creamy concentration. While warmer than the previous two vintages, the early October picking provided ample concentration while still allowing the volcanic tension of the Dundee Hills to shine. Fermenting and aging in our oldest, neutral oak barrels allows for the middle palate to fully flesh out, while still building upon its taut, savory length.

VINTAGE NOTES

We could say that "Mother Nature" made the wines in the 2012 Vintage. Bloom and fruit-set traveled from normal to well below normal. Cold weather and some negative effects from hail drove yields generally down. But, that can be a GOOD thing as smaller clusters and good, dry weather leads to ripe fruit.

The key challenge to the successful farmer this year was the fact that the period of July through October was the driest since record keeping began in the late 1800's. Potential desiccation was further exacerbated by very dry, east winds coming out of Eastern Oregon & Washington's high desert. This wind period was the longest in memory in Argyle's 27 years of Oregon winemaking. Vines already starved for moisture will not fare well under these late fall conditions.

For us, a balanced crop and belief in the weather forecast caused us to give our vines a nice drink of water just before the east wind event. This allows the vines to continue to photosynthesize and for the berries to stay plump and fruity. At Argyle, we were allowed to pick fruit under lovely fall sunshine at a leisurely pace with perfectly 'dialed-in' maturity, excellent ripeness & fresh natural acidity.
