

# ARGYLE

Pinot Noir | 2016  
Willamette Valley AVA

GROWER ♦ SERIES

Argyle Pinot Noir is a genuine representation of the Willamette Valley. Fermented entirely in small, 1.5 ton lots and plunged by hand, Argyle Pinot Noir is blended for purity and freshness.

The 2016 vintage leans darker in fruit profile with savory spice and delicate floral accents, while the middle palate is classic Argyle silkiness in texture, with persistent length.
