

ARGYLE

Reserve Pinot Noir | 2016
Willamette Valley AVA

ARTISAN  SERIES

Perfumed, floral, and red cherry weave with delicate mocha and five spice. The tannins are firm, but rounded, an underlying minerality which drives the mid-palate through the long finish. While delving for pure fruit flavors and juicy acidity, we hang our phenolic hat on our trademark silky texture, which has been enhanced through cold soaking and fermenting in small, 1.5-ton fermentations.
