Rollin Soles, Founder

Argyle Winery has been creating wines in the Willamette Valley since 1987. What began as a conviction to grow world-class sparkling wine has grown to include an acclaimed portfolio of Pinot Noir, Chardonnay and Riesling.

Argyle farms more than 400 acres of estate vineyards in the Willamette Valley, and welcomes guests daily at the Argyle Tasting House, located in the same downtown Dundee space they've called home since the beginning.

"There was a pioneering spirit growing grapes in Oregon and I felt I could make a difference here." —Rollin Soles, Argyle Founder

Argyle produces one of the most diverse
portfolios in Oregon, including:
