Reserve Chardonnay | 2017
Willamette Valley AVA

90 POINTS

Wine Advocate

23 April 2020

“The 2017 Chardonnay Reserve has a creamy, perfumed nose with scents of brie, jasmine, baked quince and peach cobbler with nuances of nutmeg, vanilla, toast—a bit over the top. The palate is medium to full-bodied, concentrated and very creamy with good freshness to lift the long, dense finish. This is a bit of a bruiser but will be to your taste if you like a creamy, rich, somewhat buttery Chardonnay. 998 cases produced. Drink Date: 2020 – 2023.”—Erin Brooks
